OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 1 2011

Honorable Mitchell D. Chester  
Commissioner of Education  
Massachusetts Department of Elementary  
and Secondary Education  
75 Pleasant Street  
Malden, Massachusetts 02148-5023

Dear Commissioner Chester:

We have approved your State's application for Federal Fiscal Year (FFY) 2011 funds under Part B of the Individuals with Disabilities Education Act (IDEA Part B). Our approval is based on review of the application submitted by the Massachusetts Department of Elementary and Secondary Education (MASSDE) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on May 10, 2011, including assurances provided in Section II and incorporated by reference to this letter as noted in Enclosure A.

Our approval of your FFY 2011 IDEA Part B grant is also based on the actions taken in FFY 2010 regarding Massachusetts' system for conducting special education due process hearings and mediations. Specifically, in FFY 2010, the State provided documentation to OSEP demonstrating that the necessary structural, statutory and regulatory changes have been made to ensure that due process hearings and mediations are conducted in accordance with section 615(e), (f), and (k) of the IDEA and applicable regulations, including: (i) the transfer of the Bureau of Special Education Appeals to the Division of Administrative Law Appeals has occurred so that it is no longer under the jurisdiction of MASSDE; and (ii) impartial due process hearing officers conducting due process hearings under section 615(f) and (k) of the IDEA and mediators conducting mediations under section 615(e) of the IDEA are: (A) no longer employees of MASSDE or the local educational agency (LEA) involved in the education or care of the child; and (B) have no personal or professional interest that would conflict with the person's objectivity in the special education due process hearing or mediation.

Please note that as part of your application for FFY 2011, your State has made an assurance, pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect during the FFY 2011 grant period. Any changes made by the State, after OSEP approval, to information that is a part of a State's application, must meet the public participation requirements in 34 CFR §300.165.

Enclosed are the State's FFY 2011 grant awards for funds currently available under the Department of Defense and Full-Year Continuing Appropriations Act, 2011 -- P.L. 112-10 for the IDEA Part B Section 611 (Grants to States) and Section 619 (Preschool Grants) programs. These funds are available for obligation by States from July 1, 2011 through September 30, 2013 in accordance with 34 CFR §76.709.

The amount in your award for Section 619 represents the full amount of funds to which you are entitled. However, the amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2011. Of the \$11,482,200,578 appropriated

for Section 611 in FFY 2011, \$2,889,817,578 is available for awards on July 1, 2011, and \$8,592,383,000 will be available for awards on October 1, 2011. Under the Section 611 formula, in a year in which the amount available for allocation to States decreases from the prior year, but is greater than the 1999 level, any amount available for allocation to States above the 1999 level is allocated based on the relative increases in funding that the States received between 1999 and the prior year.

For FFY 2011, the appropriation for the Preschool Grants program is \$373,350,802. Under the Section 619 formula in a year in which the amount available for allocation to States decreases from the prior year, but is greater than the 1997 level, any amount available for allocation to States above the 1997 level is allocated based on the relative increases in funding that the States received between 1997 and the prior year.

Enclosure B provides a short description of how Section 611 funds were allocated and how those funds can be used. In addition, Table I in Enclosure B shows funding levels for distribution of Section 611 funds and the parameters for within-State allocations.

Enclosure C provides a short description of how Section 619 funds were allocated and how those funds can be used. In addition, Table II in Enclosure C shows State-by-State funding levels for distribution of Section 619 funds.

Section 611(e)(1)(C) of the IDEA provides that “[p]rior to expenditure of funds under this paragraph [section 611(e)(1) concerning funds for State administration], the State shall certify to the Secretary that the arrangements to establish responsibility for services pursuant to section 612(a)(12)(A) are current.” We read this provision to mean that if a State does not have interagency agreements or other arrangements in place to establish responsibility for the provision of services, the State may not expend funds available to the State under section 611(e)(1) [State administration funds] until the State has these agreements or arrangements in place.

Under section 608(a)(2) of the IDEA, each State that receives funds under IDEA Part B is required to inform in writing LEAs located in the State of any State-imposed rule, regulation, or policy that is not required by IDEA or Federal regulations. A State may use the same list of State-imposed rules, regulations, and policies that it was required to submit to the Department in Section IV of its IDEA Part B application for this purpose.

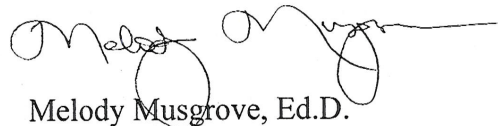

The enclosed grant awards of FFY 2011 funds are made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary to allow us to appropriately carry out our administrative responsibilities related to IDEA Part B.
